Law On State Support for Investment Projects with Significant Investments

DETAILS

In December 2020, the Parliament of Ukraine has passed the Law "On State Support for Investment Projects with Significant Investments" aimed at introducing investment incentives for major investment projects

State support equivalent to up to 30% of investments implemented in:

tax exemptions

import duty exemptions

construction of infrastructure facilities

preferential access to land plots

Eligibility criteria for investment projects:

EUR 20+
million invested

80+
jobs created

Up to 5 years
implementation period

Investment objects
to be constructed,
renovated, reequipped

Areas of investment project implementation:

- processing industry;
- extraction;
- waste management;
- transportation;
- warehousing;
- logistics
- healthcare

CONTRACT WITH THE GOVERNMENT

State support for investment projects with significant investments is provided after signing a **special investment agreement** between the investor and the state of Ukraine for a period **of up to 15 years**.
